IDAN ELIMELEH
FULL STACK DEVELOPER

054-324-3222 │ IdanElimeleh25@gmail.com │ LinkedIn │ Portfolio │ Github │

SUMMARY   Passionate about problem-solving and continuous learning, dedicated to building scalable, user-focused applications. Strong foundation in full-stack development with hands-on experience in React, JavaScript, Python, and Node.js. Proficient in HTML, CSS, Django, SQL, MongoDB, Bootstrap. Additional experience in C++, Object-Oriented Programming, PyScript and coding challenges. Background in real estate sales & operations, with excellent organizational and communication skills. Committed to delivering innovative software through analytical thinking and a user-centric mindset.

KEY SKILLS

- React
- NodeJS
- Django
- MongoDB

- JavaScript
- Python
- C++ (OOP)
- SQL

- HTML
- CSS
- Bootstrap
- PyScript

Tools: REST APIs, Github, Postman, JWT, Axios, Redux, npm, MongoDB Compass, Middleware, Joi, Yup, Regex, bcrypt, Agile.

EDUCATION   **Full Stack Development - HackerU.**   **2024 - 2025**

Completed an intensive full-stack web development course with hands-on experience in both front-end and back-end technologies, system architecture, and modern software design principles.
Front-End: HTML, CSS, JavaScript, React, Bootstrap.
Back-End: Node.js, Django, MongoDB, SQL, Python.

Self-Learning   **Ongoing Independent Learning – Software Development.**   **2017–2018 / 2023 – Present**

Ongoing self-directed learning in programming and computer science through books, online platforms, technical conferences, and coding challenge websites. *Focus area:* C++, (OOP).

PROJECTS   **Full Stack Web Development – HackerU (2024–2025) [Grades: 97+].**   [View all 17+ Projects]

- **[React] Business Directory (Frontend):** *SPA with Redux, Axios, Formik, and React Router; includes JWT handling, role-based features, full CRUD, search/filter functionality, and responsive design.*
- **[Node.js] Business Directory (Backend):** Developed a secure RESTful API with Express, MongoDB, JWT auth, role-based access, and CRUD operations for users and business cards. Included middleware for validation and error handling, automated DB seeding, and token-based session management.
- **[Python] Mini Projects & RPS Game:** *Collection of apps including an IMDB scraper, API quiz, Hangman, Password Generator, including a web-based RPS game using Python and PyScript.*
- **[HTML/CSS/JavaScript] - 7 UI/UX Front-End:** *Designed a custom client website for a musician, and 6 responsive landing pages, form validation, layout fidelity to Adobe XD, and mobile responsiveness.*
- **[JavaScript] - 6 Projects (Games & Utilities):**
  - Task Manager: *Modular, drag-and-drop using OOP and localStorage for persistent task management.*
  - Quiz App: *REST API-powered quiz generator. Adjustable category, difficulty, count, and timer settings.*
  - Text-to-Voice: *Quote reader using Web Speech API, with controls for voice type, pitch, and speed.*
  - Weather App: *Implemented a city-based weather search app using API integration and responsive UI.*
  - Math & Memory Games: *Two browser games: a difficulty-based math challenge and memory match.*

CURRENT

- **[Django + React]** Blog Platform – *Full-stack blog application using Django REST framework, PostgreSQL, and a React frontend with user authentication and post management.*
- **[MERN Stack]** Real Estate App – *A platform for agents to manage listings and for clients to search, save, and message agents. Features include user roles, listing CRUD, and integrated messaging.*

WORK EXPERIENCE

Founder - ITE TEAM NYC [Manhattan].   **2019 - 2022**

- Founded and led a top-performing real estate team, closing 350+ deals and generating $1.15M+ in annual GCI with 3 agents. Built the team from the ground up, mentoring new agents to gross $20K+ on a monthly basis. Independently managed operations: CRM, advertising, lead generation, and deal tracking.

Brokerage Director - Mercer Real Estate [Manhattan].   **2018 - 2019**

- Launched the brokerage from the ground up—hiring, training, CRM setup, and building landlord relationships. Scaled the team to 15 agents, secured exclusive listings, and established consistent deal flow. Oversaw daily operations, monthly performance and revenue reports to ownership.

Real Estate Salesperson - Caliber Associates [Manhattan].   **2014 - 2018**

- Specialized in luxury high-rise rentals; developed expertise in marketing, lease negotiation, legal documentation and client relations. Promoted to manage a team, deal execution and market navigation.
