# IDAN ELIMELEH

## FULL STACK DEVELOPER

054-324-3222 | IdanElimeleh25@gmail.com | LinkenIn | Portfolio | Github |

---

**SUMMARY**

Full-stack developer with hands-on experience in React, Django, and Node.js, building scalable, secure web applications that emphasize clean architecture, performance, edge-cases and user experience.
Strong foundation in software engineering principles and system design, reinforced by self-taught studies in C++ (OOP) and computer science fundamentals. Applying strategic thinking to software development, writing clean, reusable code and continuously improving performance, usability, and system architecture.

---

**SKILLS**

**Languages:** JavaScript, Python, C++ (OOP), SQL/NoSQL.
**Frontend:** React, Vanilla JS, Redux, Axios, Formik, Yup, Modular CSS.
*Backend:* Node.js, Express.js, Django REST Framework (DRF), JWT, Bcrypt, Helmet, Joi.
**Database:** MongoDB, PostgreSQL, Django ORM.
**Utilities:** Git, Vite, ESLint, Postman, Render, SendGrid.

---

**EDUCATION**

*Full Stack Development - HackerU ThriveDX.*      *(2024 - 2025)*

Comprehensive training in full-stack web development with hands-on experience in modern web technologies, system architecture, deployment, and software design principles.

*Self-learning*      *(2017–2018 / 2023 - Present)*

Self-directed studies in computer science, systems design, and data structures through books, online courses, coding challenges and technical conferences. with a focus on C++ and object-oriented-programming.

---

**PROJECTS**    **Full Stack Web Development - HackerU ThriveDX (2024–2025) [Grades: 97+].**    🔗 [View all 19+ Projects]

- **[Django + React] - Blog Platform:** Full-stack blog app using Django REST Framework (JWT auth, refresh, PostgreSQL) and a React frontend (Redux, Axios, Formik, modular components, role-based CRUD, dynamic search, mod key access). *Live Demo* 🔗

- **[Node.js + React] - Business Directory:** Full-stack business directory app with secure JWT auth and role-based access. Frontend SPA built with React, Redux, Axios, Formik, and React Router. Backend built with Node.js/Express, MongoDB, and middleware for validation, error handling, and session management. Includes full CRUD, search/filtering, DB switch toggling (CampusDB, ownDB). *Live Demo* 🔗

- **[JavaScript] - 6 Apps and games focusing on interactivity, APIs, and persistent state:** Task Manager (drag-and-drop, local storage, OOP), Quiz App (REST API-powered), Text-to-Voice (Quotes API), Weather App (real-time API), Math Game, Memory Match.

- **[Python] - Console Projects + PyScript Web:** IMDB scraper, API quiz, Hangman, Password Generator(strength validation, rand), web-based RPS game.

- **[WEB] - 7 UI/UX Frontend projects:** 6 responsive landing pages, form validation, layout fidelity to Adobe XD, and mobile responsiveness.

- **[MERN Stack] Real Estate App (Current):** Platform for agents to manage listings, CRM, and deals; for clients, search & save listings, submit applications & inquiries.

**Freelance**

- **Events Venue Website:** Developed a responsive, multi-page website from Figma designs using Vanilla JS, HTML, and CSS with a Node.js backend connected to SendGrid for automated inquiries. Component-based frontend, supporting dynamic content per event type, input validation (Joi, Yup, Regex), helmet, rate limiting, honeypot, environment variables, and npm-based modular development for security, scalability, and maintainability.

- **Musician Portfolio Website:** HTML/CSS/JS frontend with a custom responsive design and interactive UI.

---

**WORK EXPERIENCE**

**Founder - ITE TEAM NYC [Manhattan].**      *(2019 - 2023)*

- Founded and led a top-performing real estate team, closing 350+ deals and generating $1.15M+ annual GCI. Mentored agents to achieve $20K-$40K in monthly revenue.
Managed operations including CRM, lead generation, deal tracking, and payouts.

**Brokerage Director - Mercer Real Estate [Manhattan].**      *(2018 - 2019)*

- Launched a brokerage including hiring, training, CRM, financial management and reporting, and building landlord relationships. Scaled to 15 agents, secured exclusive listings and landlord relationships, established consistent deal flow. Oversaw daily operations, monthly performance and revenue reports to ownership.

**Real Estate Salesperson - Caliber Associates [Manhattan].**      *(2014 - 2018)*

- Specialized in luxury high-rise rentals: developed expertise in marketing, pricing, contracts and leases negotiation, client relations, CMA, mentoring.
